**DECLARATION FOR  
FILING OF CONTINUATION APPLICATION UNDER RULE 1.60**

Sir:

I, Thomas J. Perkowski, attorney of record in the above-identified case, hereby declare and certify that the attached xerox copy of the Application is a true copy of the original prior Application Serial No. 08/886,806 filed on April 22, 1997. The application presently being filed is a Continuation Application of pending Application Serial No. 08/886,806 filed April 22, 1997.

The undersigned declares further that all statements made herein are of his own knowledge, are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the

United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Please charge any additional costs to our firm Deposit Account No. 08-2776.

Respectfully submitted,

For value received we, LeRoy Dickson, John Groot, Carl Harry Knowles, and Thomas Amundsen hereby sell, assign, and transfer to METROLOGIC INSTRUMENTS, INC., a corporation of New Jersey, having a place of business at Coles Road at Route 42, Blackwood, New Jersey 08012, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions disclosed as U.S. Patent Application Serial No. 08/886,806 entitled HOLOGRAPHIC LASER SCANNING SYSTEM AND PROCESS AND APPARATUS AND METHODS FOR DESIGNING AND CONSTRUCTING THE SAME, filed April 22, 1997 and for all the rights and privileges under any and all Letters Patents that may be granted therefor.

We request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment,

consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

We covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.
